

# National AHEC Scholars Eligibility Checklist

- The student is located, educated, and clinically trained in the West Texas region
- The student is a citizen, national, or permanent resident of the United States
- The student's discipline, program level, and point of entry and exit, all meet the contract requirements
- The student is committing to two years, if in a two-year program, and a one-time program follow up contact
- The required 40 hours of didactic and 40 hours of clinical training (rotations) will be completed within EACH year of the student's AHEC Scholar participation
- The student is from a rural, disadvantaged, minority, or underserved background
- The student has not previously completed an AHEC Scholar program, or participated in an AHEC Scholar program in a different discipline
- If the student has not met the eligibility requirements, I have received approval from the West Texas AHEC Program Office to enroll the student
- The student meets all above qualifications, Exhibit F contractual eligibility requirements, and has been presented and approved by my advisory board

# National AHEC Scholars Eligibility Checklist
