Thursday, Nov. 10, 2022
6 – 7 p.m.

Medical Education Building – Room 1200
5001 El Paso Drive
El Paso, Texas 79905

The El Paso Pediatric Society Presents:

Update on Medicaid, CHIP and Care for the Uninsured

Presented by:
Helen Kent Davis
Associate Vice President of Government Affairs
Texas Medical Association

Objectives: Upon completion of this session, the participant should be able to:

- Discuss TMA’s maternal and child health-related legislative priorities for the 88th legislative session, which will begin on Jan. 10, 2023, and opportunities for pediatricians to be engaged in the association’s advocacy work.
- Learn about the implications of the forthcoming end to the federal Public Health Emergency and how to prepare both your practice and your patients.
- Discuss forthcoming regulatory and clinical policy changes within Texas Medicaid, including implementation of initiatives to address nonmedical drivers of health.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

All speakers and the planners for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing health care products used by or on patients.

- The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
- Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
