Diversity and Global Health Perspectives Lecture Series

Clinical Science Building, Room A3500

Wednesday, May 4, 2016

Noon - 1 p.m.

Jose Rodriguez, M.D., is a board-certified family physician and associate professor at the Florida State University College of Medicine. He is also the 2008 recipient of the Dr. Martin Luther King Jr. Distinguished Service Award from Florida State University in recognition of outstanding scholarly excellence and strong commitment to Dr. King's ideals. Dr. Rodriguez also received the Florida State University Transformation through

Teaching Award in 2012. He is the co-founder and co-director of the Center for Underrepresented Minorities in Academic Medicine. Dr. Rodriguez has published many articles on numerous clinical topics, specifically as they relate to underserved and minority patients. He is founder and editor in chief of the Florida State University College of Medicine's creative arts journal HEAL: Humanism Evolving through Arts and Literature.

Addressing Disparities in Academic Medicine

Presented by:

Jose E. Rodriguez, M.D.

Co-Director of the Center for Underrepresented Minorities in Academic Medicine

Associate Professor, Department of Family Medicine

Florida State University College of Medicine

Objectives: Upon completion of this session the participant should be able to:
