

welcome to

2010

and welcome BACK to

THE INTERNATIONAL COFFEE HOUSE

Tuesday, January 26
3:00 - 4:30 pm
International Cultural Center

Join us for coffee, hot tea,
snacks and conversation. We
will be welcoming NEW
international students and
sharing stories from the
holidays!

Students for Global Connections is a campus organization created for international students who need a home away from home and for American students who have a passion for travel, languages and other global affairs. Our purpose is to promote global connections through campus and community events, and to facilitate cross-cultural relationships among Tech students and the surrounding communities. We also hope to build a worldwide Texas Tech network for lifelong friendships and international opportunities.
