

*The Empathy and Advocacy Book Club, Office of Global Health,  
the Medical Ethics Society, and AMWA Present:*

# ROBYN ADAMS

**[Friday, April 18th @ noon] in  
[ACB rm110]**

*Join us for spoken word poetry from TEDx speaker, Robyn Adams. A 19-year-old sophomore at Texas Tech University, Adams is currently ranked No. 4 as a youth poet in the state of Texas. Adams' reading will be followed by a discussion lead by Dr. Casanova regarding the importance of individuality throughout all stages of medical education—from student to practitioner. Free lunch will be provided by Market Street for the first 25 attendees.*
