Society

High Altitude Experiences: Taking Care of a Trekking Team to Everest

Arthur A. Islas, MD is a Sports Medicine Physician who has specialized in the field of Wilderness Medicine – taking care of athletes in austere environments.

This presentation will give an overview of high altitude illnesses and use actual case scenarios from Dr. Islas' trips to Everest Base Camp to demonstrate treatment approaches.

Want to reserve your meal? Bring a package of washable markers (8-10/pkg) to the Office of Global Health (2B410) on the Monday or Tuesday prior and we'll reserve a meal for you!!!!
