Operation Hope was founded in 1999 by Dr. John Thomas, a general surgeon practicing in Lubbock, as a Healing Outreach to people throughout the globe. In addition to the programs Operation Hope sponsors for high school and undergraduate students, this non-profit organization is involved in **FAMINE (Feed A Million In Need Everywhere)** and **Medical Mission Trips** to Africa, Iraq, and Haiti. Operation Hope has received two medals for their service in Iraq and the Red Cross Award in 2009.
