

TEXAS TECH UNIVERSITY  
HEALTH SCIENCES CENTER™  
EL PASO

## Mission Statement:

The mission of Texas Tech University Health Sciences Center at El Paso is to improve the lives of people in our State and our community by focusing on the unique health care needs of socially and culturally diverse border populations through excellence in integrated education, research, and patient care.

## TTUHSC El Paso Strategic Goal

Excellence in Academics.

Objective 1.1: Enhance Student recruitment and improve student success.

## Key Performance Indicators

## Graduation Rates

Graduation rates are calculated using the following formula:

$$\text{GR} = \frac{\text{\# of students who completed their program within a specified time frame (described below for each program)}}{\text{\# of students in the entering cohort}}$$

### Gayle Greve Hunt School of Nursing Programs:

**Bachelor of Science in Nursing** - By August 31, two years after the academic year of matriculation.

**Master of Science in Nursing** - By August 31, three years after the academic year of matriculation.

### Graduate School of Biomedical Sciences Programs:

**Post-Baccalaureate Certificate in Biomedical Sciences** - By August 31, one year after the academic year of matriculation.

**Master of Science in Biomedical Sciences** - By August 31, two years after the academic year of matriculation.

### Paul L. Foster School of Medicine Program:

**Doctor of Medicine** - By August 31, four years after the academic year of matriculation.

Transferred-in and transferred-out students are not included in the Graduation Rate calculation.
