Dear Research Community,

Per HSCEP OP 73.14, Research Compliance, the VPR or his/her designee is responsible for the oversight of the research compliance program at Texas Tech University Health Sciences Center El Paso (TTUHSC El Paso), with specific compliance oversight responsibilities delegated to the Office of Research. The Office of Research is authorized to monitor compliance with applicable laws, regulations, Regents' Rules, and TTUHSC El Paso policies related to the appropriate conduct of research activities and the funding of research activities at or through TTUHSC El Paso.

The purpose of TTUHSC El Paso HSCEP OP 73.07, Honesty in Research and Allegations of Scientific Misconduct, is to establish the guidelines and procedures to be followed concerning allegations of scientific misconduct. This document applies to allegations of research misconduct (fabrication, falsification, or plagiarism in proposing, performing, or reviewing research, or in reporting research results) involving any individual who, at the time of the alleged research misconduct was employed by, was an agent of, or was affiliated with TTUHSC El Paso to include scientists, trainees, technicians and other staff members, students, fellows, residents, faculty researchers or collaborators at TTUHSC El Paso. This policy applies to all individuals engaged in research at TTUHSC El Paso regardless of the funding source for the research activities. This statement of policy and procedures does not apply to authorship or collaboration disputes, and applies only to allegations of research misconduct.

Please review the attached Operating Policies for additional information.

For questions related to these policies, please contact the [Office of Research](#).

Thank you.
