**1:00 PM - 2:30 PM**

### *Learn about our program*

Get information on how to become a future dental student. Ask questions about the application process and what steps to take in both high school and college to prepare.

### *Tour our SimLab*

Get a first hand look at our state of the art Dental Learning Center (DLC) where our students spend at least 20 hours a week learning dental procedures on simulation mannequins.

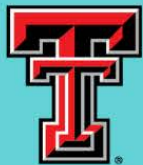

### *Visit our Oral Health Clinic*

Get a sneak peek into where our innovative and cutting edge curriculum hosts our early to clinic initiative allowing our students to provide quality care to our community. Find out how you can become a patient.
