

PLFSOM CATALOG ADDENDUM – AY2015-16

v. 12/28/2015

The purpose of this addendum is to provide information that supplements the TTUHSC El Paso Paul L. Foster School of Medicine Catalog for academic year 2015-2016, specifically with regard to the *Clerkship Prep Course* (PICE 7001) of the Integrated Curricular Elements (ICE) program. This 8-week course occurs at the end of the MS2 year and is designed to ensure students possess the essential knowledge and skills required for entry into the clerkship phase of their medical training. The major elements of this course include Advanced Cardiovascular Life Support (ACLS) training, Tankside Grand Rounds (TSGR), an Objective Structured Clinical Examination (OSCE), a 5-week self-directed learning phase, and the National Board of Medical Examiners' Comprehensive Basic Science Exam (NBME CBSE).

Addendum to bottom of table on p. 27 of PLFSOM CATALOG AY2015-2016:

Subject	Course Number	Course Title	Credit Hours
PICE	7001	Clerkship Prep Course	2
Total Program Credit Hours (including PSPM, PMSK, PSCI, PMAS, PSAP and PICE courses)			68
