

Research Opportunities:	Organization	Deadline Passed	Submission Deadline
AANS Medical Student Summer Research Fellowship - Neurological Surgery Research Fellowship	AANS - American Association of Neurological Surgeons		1-Nov
Alex's Lemonade Stand Foundation Pediatric Oncology Student Training - The POST program is designed for graduate and undergraduate medical students who have an interest in pediatric oncology research and would like to experience the field first hand. Students train with a pediatric oncology research mentor.	Alex's Lemonade Stand Foundation		11-Dec
American Academy of Child and Adolescent Psychiatry Summer Medical Student Fellowships (AACAP) - The AACAP Summer Medical Student Fellowships offer a chance for medical students to explore a career in child and adolescent psychiatry, gain valuable work experience and meet leaders in the child and adolescent psychiatry field.	American Academy of Child and Adolescent Psychiatry Summer Medical Student Fellowships (AACAP)		4-Mar
American Association for Thoracic Surgery Summer Scholarships in Cardiothoracic Surgery (AATS) - The AATS Summer Intern Scholarship program introduces the field of cardiothoracic surgery to first and second year medical students from North American medical institutions. The summer intern scholarship provides medical students with insight into the scientific investigation and study of cardiothoracic surgery.	American Association for Thoracic Surgery Summer Scholarships in Cardiothoracic Surgery (AATS)		2-Dec
American Brain Tumor Association Medical Student Summer Fellowship Program - The Medical Student Summer Fellowships are awarded to current medical students wishing to spend a summer conducting brain tumor research with esteemed scientist-mentors. The intent of this program is to motivate talented medical students to pursue a career in neuro-oncology research.	American Brain Tumor Association - ABTA		18-Jan
American Society of Hematology Minority Medical Student Award Program (MMSAP) - The MMSAP is an 8-12 week summer research experience for underrepresented minority students in their first or second years of medical school.	American Society of Hematology Minority Medical Student Award Program (MMSAP)		14-Feb
Anesthesia: Medical Student Anesthesia Research Fellowship	FAER MEDICAL STUDENT ANESTHESIA RESEARCH FELLOWSHIP (MSARF)		31-Jan
Arnold P. Gold Foundation Student Summer Fellowships - The Gold Foundation offers fellowships that provide medical students the opportunity to complete a research or service project related to community health.	Arnold P. Gold Foundation		15-Mar
ASTRO Minority Summer Fellowship Award - The purpose of the ASTRO Minority Summer Fellowship award is to introduce students from backgrounds that are under-represented in medicine to the discipline of radiation oncology early in their medical education. The experience is designed to expose students to clinical, basic and translational research questions in radiation oncology.	ASTRO - (Radiation Oncology)		25-Feb
Autism: Organization for Autism Research Graduate Research Grant.	Organization for Autism Research (OAR)		
Biomedical: MGH Summer Research Trainee Program.	Massachusetts General Hospital		4-Feb
Campagna Summer Research Scholarship in Neurological Surgery - The scholarship supports a 10-week summer semester of research under the supervision of a neurosurgical mentor at Oregon Health & Science University (OHSU) and residence expenses in Portland, Oregon.	Oregon Health & Science University		19-Jan
Cancer: Roswell Park Comprehensive Cancer Center's Summer Research Program.	Roswell Park Comprehensive Cancer Center		31-Jan
Cardiothoracic: Harvard VRIP Summer Research	Harvard Medical School		15-Dec
Carolyn L. Kuckein Student Research Fellowship	Alpha Omega Alpha Honer Medical Society		21-Jan
Children's Hospital Los Angeles Summer Oncology Fellowship Program - This program is intended to provide the highest quality experience for first-year medical students pursuing interests in oncology research.	Children's Hospital Los Angeles		8-Jan
Children's Mercy Hospital Orthopedics Summer Scholar Program- Children's Mercy Hospital's Orthopedic Summer Scholar Program provides scholarships for students to do research with orthopedic staff and faculty. The purpose of this program is to address important questions that affect the health of Children's Mercy patients and to introduce promising students to the fields of pediatric orthopedics and pediatric rehabilitation.	Children's Mercy Hospital Orthopedics		30-Nov-24
Clinical and Basic Science Research Fellowships for Underrepresented Minority Medical Students	Mayo Clinic College of Medicine and Science		1-Feb

CNS/CSNS Medical Student Summer Fellowship in Socioeconomic Research. - This fellowship is open to all medical students in the United States and Canada with an interest in the socio-economic issues that impact the field of Neurosurgery.	Congress of Neurological Surgeons			28-May-25
David and Ethel Platt Family Physician Summer Fellowship - Family Medicine Clinical Preceptorship	Delaware Academy of Family Physicians			1-May-25
David E. Rogers Fellowship Program - The program, through the New York Academy of Medicine, offers fellowships to support summer projects for first year medical students.	The New York Academy of Medicine			22-Jan
Diversity Mentorship Program - Dermatology Mentorship Program	American Academy of Dermatology Association			1-Nov-24
Endocrine Society Research Experiences for Graduate and Medical Students (REGMS) Program - The Endocrine Society offers research experiences to encourage promising undergraduate students, medical students and students entering graduate school to pursue ca	Endocrine Society			20-Jan
Endocrinology: NIDDK Medical Student Research Program in Diabetes	National Institute of Diabetes and Digestive and Kidney Diseases			1-Jan
ENT: Myers' Family Diversity Summer Travel Fellowship in Otolaryngology Medical Students.	American Head & Neck Society			1-Jan-25
Epidemiology Elective Program - Global Health Research Fellowship	Centers for Disease Control and Prevention			1-Jan-25
Ethics: FASPE Medical Fellowship.	Fellowships at Auschwitz for the Study of Professional Ethics			2-Jan
FAERS Medical Student Anesthesia Research Fellowship (MSARF) - The Foundation for Anesthesia Education and Research Medical Student Anesthesia Research Fellowships provide students with a challenging and rewarding experience that exposes them to the opportunities within the medical field of anesthesiology and research.	Foundation for Anesthesia Education and Research			31-Jan
General: AOA Carolyn L. Kuckein Student Research Fellowship.	Alpha Omega Alpha Honer Medical Society			21-Jan
GE-NMF Primary Care Leadership Program - Primary Care Service-Learning Program	National Medical Fellowships			5-Feb
GI: SAGES - Gastrointestinal and Endoscopic Surgeons	Society of American Gastrointestinal and Endoscopic Surgeons			15-Jan
GI: Vanderbilt Medical Student Research Training Program	Vanderbilt University Medical Center			1-Jan
Gina M. Finzi Memorial Student Summer Fellowship Program	Peterson's			14-Apr
Global Health Programs for Fellows and Scholars	NIH - Fogarty International Center			
Glorney-Raisbeck Student Research Grants in Cardiovascular Research	The New York Academy of Medicine			22-Jan
Government Relations Advocacy Fellow - Health Policy Internship	AMA - American Medical Association			
Gundersen Health System's A.C.V. Elston III, MD, Summer Research Fellowship program	Gundersen Health System			15-Jan
Harvard Catalyst Visiting Research Internship Program (VRIP) - This summer research program is designed to enrich medical students' interest in research and health-related careers. In addition to a mentored clinical/translational research experience, VRIP students will participate in weekly seminars with Harvard faculty focusing on topics such as research, methodology, health disparities, ethics and career paths.	Harvard Medical School			15-Dec
Harvard-Longwood Research Training in Vascular Surgery - Harvard Medical School is offering student summer research fellowships in vascular surgery, including research training in molecular and cell biology, biomechanics, coagulation and thrombosis, and angiogenesis, with a focus on clinically relevant problems such as atherogenesis, intimal hyperplasia, prosthetic/host interactions and thrombosis.	Society for Vascular Surgery			
Heart, Lung and Blood (HLB) Summer Research Program- The Heart, Lung and Blood Summer Research Program through CaseWestern Reserve University is designed to engage undergraduates and medical students in state-of-the-art biomedical research in cardiovascular, pulmonary, hematological and sleep disorders research.	Case Western Reserve			15-Mar
Hematology Opportunities for the Next Generation of Research Scientists	American Society of Hematology		Open	
Icahn School of Medicine at Mount Sinai Department of Otolaryngology Research Fellowships	Icahn School of Medicine at Mount Sinai			15-Mar
Interventional Radiology: SIR Summer Research Grant	SIR Foundation			15-Jan
Jeanne Spurlock Research Fellowship in Substance Abuse and Addiction for Minority Medical Students	American Academy of Child and Adolescent Psychiatry			4-Mar

Johns Hopkins University Summer Employment - Johns Hopkins University is recruiting qualified medical students to work in their summer program. Johns Hopkins University's Center for Talented Youth provides academically talented young students aged 8-16 the opportunity to take rigorous summer courses in mathematics, science, computer science, humanities and writing. Medical students during the summer between their first and second years are needed for the position of health assistant.	Johns Hopkins		Open
M.D. Anderson Cancer Center Summer Research Program - The 10-week program provides interested students with an opportunity to participate in biomedical research experiences related to oncology and to be introduced to the clinical problems presented by cancer patients. At the end of their summer experience, students will submit their research data in journal article format.	MD Anderson		17-Jan
Mallinckrodt Institute of Radiology Summer Program - Washington University's and Mallinckrodt Institute of Radiology's cosponsored program provides an introduction to current radiological sciences research. Participants develop close interaction between c	Mallinckrodt Institute of Radiology		1-Feb
Master of Science in Clinical Research Methods	Tulane University School of Medicine		Multiple Deadlines
Mayo Clinic Summer Research Fellowship - The Summer Research Fellowship was created to address the need for clinical investigators from diverse backgrounds. The health needs of U.S. minority populations have been studied inadequately, due in part to the s	Mayo Clinic College of Medicine and Science		1-Feb
Medical Research Scholars Program - Research Enrichment Program	NIH Clinical Center - American Research Hospital		12/2/2024
Medical Scholars Research Fellowship - Biomedical Research	PSSF - Physician & Scientist Support Foundation		11-Jan
Medical Student Rotation for Underrepresented Populations	American Society of Clinical Oncology ASCO		15-Jan
Medical Student Summer Fellowship Program - Neurology / Oncology Research Fellowship	American Brain Tumor Association - ABTA		18-Jan
Medical Student Summer Fellowship Program - Oncology	Memorial Sloan Kettering Center Center		2-Feb
Medical Student Summer Scholars Program - Research Program	Atrium Health		28-Feb
Medical Student Training in Aging (MSTAR) Program- Administered by AFAR and the National Institute on Aging (NIA), the MSTAR Program provides medical students with an enriching experience in aging-related research and geriatrics, with the mentorship of top experts in the field. This program introduces students to research and academic experiences early in their training that they might not otherwise have during medical school.	American Federation for Aging Research		Multiple dates
MS Medical Student Mentorship	National Multiple Sclerosis Society		28-Feb
National Injury Research Training Program - The Center for Injury Research and Policy in the Research Institute at Nationwide Children's Hospital hosts a summer training program that focuses on research training to future physician-investigators while introducing them to the field of injury research and prevention.	Nationwide Children's		29-Jan
National Institutes of Health (NIH) Summer Internship Program in Biomedical Research (SIP) - Summer programs at the National Institutes of Health (NIH) provide an opportunity to spend a summer working at the NIH side-by-side with some of the leading scientists in the world, in an environment devoted exclusively to biomedical research.	Office of Intramural Training & Education		16-Feb
Neurosurgery Research and Education Foundation - The Medical Student Summer Research Fellowship program is open to medical students in the United States or Canada who have completed one or two years of medical school and wish to spend a summer working in a neurosurgical laboratory, mentored by a neurosurgical investigator who is a member of the American Association of Neurological Surgeons (AANS).	Neurosurgery Research & Education Foundation		11/1/2024
Neurosurgery: Allegheny Summer Internship Program	AHN - Allegheny Health Network		Multiple Deadlines
NIH Duke Training Program in Clinical Research	NIH - Office of Clinical Research Education and Collaboration Outreach		15-Apr
Oncology: Memorial Sloan Kettering Summer Fellowship Program	Memorial Sloan Kettering Center Center		2-Feb
Oncology: Summer Training for Medical Students	Case Western Reserve		10-Mar
One-Year Mentored Research Training Opportunity for Medical Students	Washington University School of Medicine in St. Louis - Otolaryngology-Head & Neck Surgery		Multiple Deadlines

Ophthalmology: Health Equity Ophthalmology Summer Program - University of Michigan	University of Michigan - Ophthalmology		15-Jan
Ophthalmology: Scholars in Ophthalmology Program at Mass Eye and Ear and Harvard Medical School	Harvard Medical School		15-Feb
Orthopaedic Research Fellowship	Department of Orthopaedic Surgery - Heersink School of Medicine		Multiple Deadlines
Orthopedic Surgery: Hospital for Special Surgery Medical Student Summer Research Fellowship	HSS		12-Jan
Orthopedic Surgery: Silberstein Pediatric Orthopaedics Research Fellowship	Johns Hopkins		3-Mar
Orthopedic Surgery: University of Texas at Austin - Value-Based Health Care Summer Research Internship	UT Austin - Dell Medical School		8-Jan
Pediatric Oncology Education Program	St. Jude's Research Hospital		1-Feb
PM&R: Shirley Ryan Ability Lab PM&R Summer Externship	Northwestern Medicine - Department of Physical Medicine & Rehabilitation		5-Jan
Postdoctoral Fellowship in Cardiovascular Sciences at the Cardiovascular Center at the Medical College of Wisconsin	Medical College of Wisconsin - Cardiovascular Center		
Psychiatry: AACAP Research Fellowship in Substance Abuse and Addiction	American Academy of Child & Adolescent Psychiatry		4-Mar
Pulmonology: Cincinnati Children's Summer Medical Student Respiratory Research Fellowship	Cincinnati Children's		12-Feb
Rad Onc: ASTRO Minority Summer Oncology Fellowship	ASTRO - (Radiation Oncology)		10-Jan
Regenerative Medicine: ENGAGE - National Center for Regenerative Medicine	Case Western Reserve		27-Mar
Rehabilitation Institute of Chicago Summer Externship Program - This Summer Externship program, sponsored by the Department of Physical Medicine and Rehabilitation of Northwestern University Medical School, is held at the Rehabilitation Institute of Chicago (RIC), located in downtown Chicago at the McGaw Medical Center. This program offers a unique and early clinical exposure related to the care of persons with acute and chronic disabilities for comprehensive rehabilitation. Primarily, students will assist in the clinical management of patients admitted to RIC. In addition, students will participate in a research project in a rehabilitation related field. There will be ongoing didactic and in-service efforts directed at the M1-M2 student level.	Northwestern Medicine - Department of Physical Medicine & Rehabilitation		5-Jan
Research Training Program in Diabetes, Endocrinology and Metabolism	Vanderbilt University Medical Center - Diabetes Research and Training Center		1-Jan
Roswell Park Cancer Institute Summer Oncology Research Program - Expand your horizons in the care and treatment of cancer patients by participating in state-of-the-art clinical research. Special emphasis is placed on cancer prevention through lectures and	Roswell Park Comprehensive Cancer Center		31-Jan
RSNA Research Medical Student Grant - Radiology/Radiation Oncology Research Grant Award	Radiological Society of North America		2-Feb
Sarnoff Fellowship	Sarnoff Fellowship		8-Jan
Simon Kramer Society Summer Externship in Radiation Oncology - The Simon Kramer Society Externship in Radiation Oncology, awarded annually, provides a unique opportunity for medical students to obtain experience in radiation oncology.	Thomas Jefferson University		9-Feb
Siteman Cancer Center at Washington University School of Medicine and Barnes-Jewish Hospital -Siteman Cancer Center invites undergraduate, graduate and medical students to participate in the Leah Menshouse Springer Summer Opportunities Program. This program is designed to provide participants with hands-on cancer research experience. Opportunities range from basic science research to clinical research to prevention/control and population research.	Siteman Cancer Center		12-Jan
St. Jude Children's Research Hospital - NIH/NCI-funded Pediatric Oncology Education (POE) Program - The Pediatric Oncology program offers a unique opportunity for students preparing for careers in medicine to gain biomedical and oncology research experience. Medical students will work in clinical research with physicians and staff in areas such as chart review, record screening and examination, data collection and entry and may also apply to attend clinics and observe procedures.	St. Jude's Research Hospital		1-Feb
Summer Oncology Fellowship - Pediatric Oncology Research Fellowship	Children's Hospital Los Angeles		8-Jan
Summer Preceptorship Program - Family Medicine Clinical Preceptorship	UPMC Altoona Family		3/31/2025
Summer Psychiatry Research Fellowship for Underrepresented Medical Students	UC San Diego - Department of Psychiatry		2/15/2025

Summer Research Fellowship Program - Infectious Disease / Microbiology / Immunology Research Fellowship	University at Buffalo - Medical Education Program		Multiple Deadlines
Summer Research Program for Medical Students - Oncology Research Program	MD Anderson		17-Jan
Summer Research Trainee Program	Massachusetts General Hospital		4-Feb
Summer SEARCH/COPC Program - Community Health Clinical Experience	Rutgers - Robert Wood Johnson Medical School		3/24/2025
Surgery: University of Michigan Leagues Fellowship	University of Michigan - Surgery		
SVS Foundation Student Research Fellowship - Vascular Surgery Research Fellowship	Society for Vascular Surgery		1-Feb
The CDC Experience Applied Epidemiology Fellowship	CDC - Centers for Disease Control and Prevention		Multiple Deadlines
The Christine Mirzayan Science & Technology Policy Graduate Fellowship Program	National Academies - Sciences Engineering Medicine		9/9/2024
The Ferdinand C. Valentine Student Research Grants in Urology	The New York Academy of Medicine		22-Jan
The Medical Student Anesthesia Research Fellowship Summer Program	FAER MEDICAL STUDENT ANESTHESIA RESEARCH FELLOWSHIP (MSARF)		31-Jan
The Urology Research Innovation and Leadership Fellowship	UCI - Urology		
Trauma: INSIGHT	Harborview - Injury Prevention & Research Center - University of Washington		9-Feb
Underrepresented Minority Medical Student Research Program - Hematology/Oncology Research	Leukemia & Lymphoma Society		15-Dec
Program for Research Initiated by Students and Mentors (PRISM)	University of Maryland - School of Medicine		25-Mar
Visiting Research Internship Program	Harvard Medical School		15-Dec
William B. Bean Student Research Award - Medical History / Humanities Research Award	American Osler Society		1-Mar
