

## 2015 Annual Faculty Evaluation Digital Measures Report Instructions for Faculty

This year, annual faculty evaluations will be conducted using a hybrid of the Digital Measures system and paper. The portion prepared by the faculty member will be generated through Digital Measures and will replace the faculty goals and objectives form manually completed by faculty in previous years. The evaluation form to be completed by the chair and signed by the faculty member will be a paper-based form.

### Step 1: Update your Digital Measures Profile

Please take this opportunity to complete your Digital Measures profile by logging in to the Digital Measures system using your eraider username and password.

You may access the Digital Measures Activity Insight system and step-by-step faculty roadmap documents for assistance on this PLSOM website <http://el Paso.ttuhsoc.edu/fostersom/facultyaffairs/DigitalMeasures.aspx>

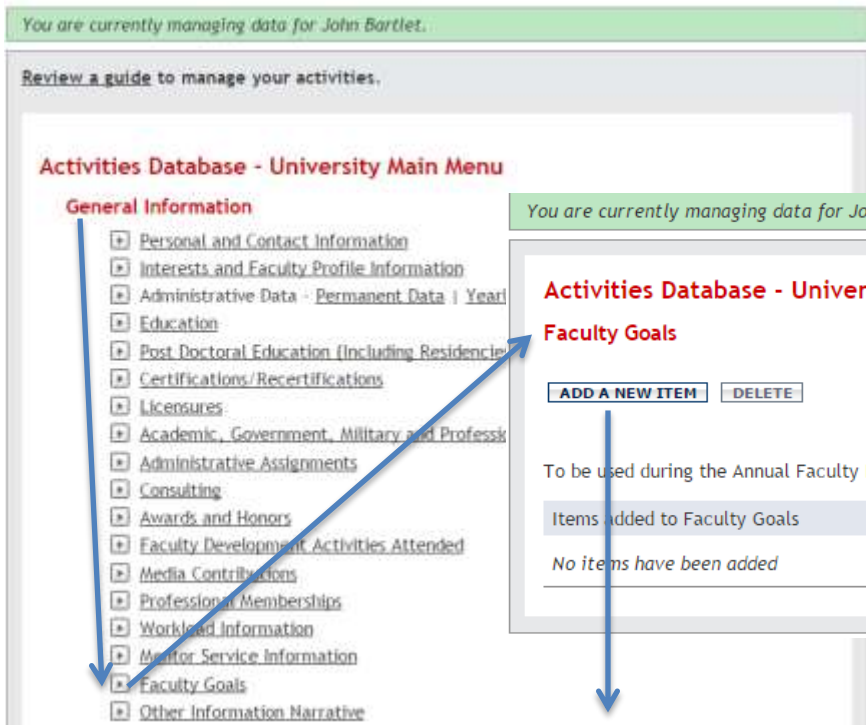

The image shows a screenshot of the Digital Measures website. On the left is a navigation menu with categories like 'QUICK SEARCH', 'FOSTER SCHOOL OF MEDICINE RESOURCES', 'FACULTY AFFAIRS RESOURCES', and 'HEALTH SCIENCES CENTER LINKS'. The main content area has a red header with navigation links (HOME, INFO FOR, SCHOOLS, CONTACT INFO, SITE MAPS) and a 'Welcome to Digital Measures' message. Below the welcome message are two links: 'Link to access ActivityInsight' and 'Link to TTUHSC Digital Measures / Activity Insight Page'. A blue arrow points from the second link to a sign-in form on the right. The sign-in form is titled 'eRaider Sign-in' and includes fields for Username and Password, a Norton Security logo, and buttons for 'Sign In', 'Forgot your eRaider Account? Sign In', and 'Activate Account'. At the bottom of the sign-in form, there is a disclaimer about the use of ITU information resources.

Once you have logged in to Digital Measures, select “Manage Data”. Review your academic accomplishments in the last year and update the teaching, scholarship, academically related public service, and clinical service (if applicable) sections. Also enter any new continuing education and personal development.

## Step 2: Enter Faculty Goals

Under the General Information section, select Faculty Goals. If no data is entered, click “Add a New Item”.

### Enter Faculty Goals for 2014 and 2015

Review the goals you have entered for 2014. This should reflect the goals you completed during your last evaluation (in 2014) for the current year.

Next, enter your 2015 faculty goals for the upcoming year.

Enter goals for Teaching, Scholarship, Academically Related Public Service, Clinical Service, and Continuing Education and Personal Development. Click save and return to store your entries.

### Step 3: Run A Proofing Report

In Digital Measures, select “Manage Data” to access the University Main Menu screen.

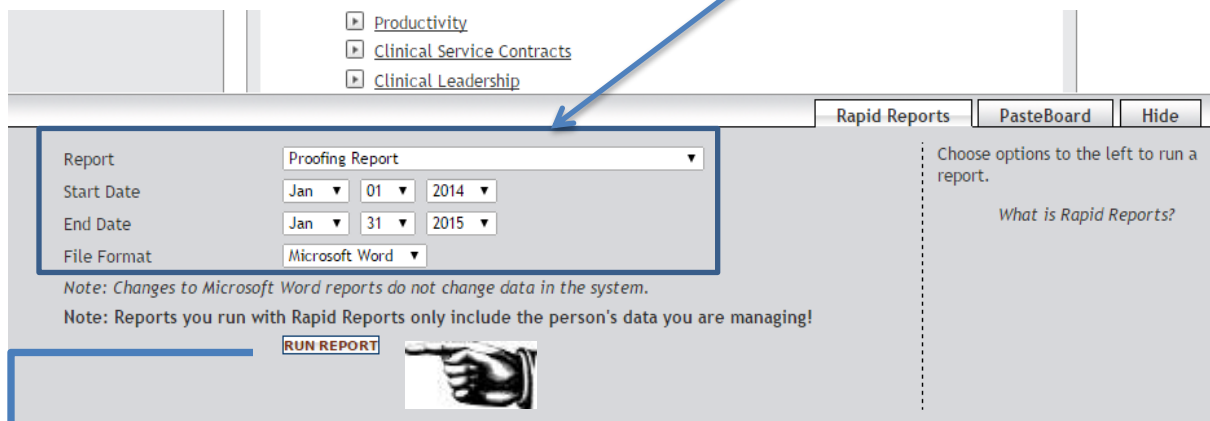

At the bottom of the screen, you will see a tab on the bottom right for “Rapid Reports”. Click on this tab to open the report menu.

The screenshot shows a web interface for managing data for John Bartlet. At the top, a green banner reads "You are currently managing data for John Bartlet." Below this, a grey box contains the text "Review a guide to manage your activities." The main content area is titled "Activities Database - University Main Menu" and lists various categories of activities, each with a dropdown arrow icon:

At the bottom of the screen, there is a navigation bar with three tabs: "Rapid Reports", "PasteBoard", and "Hide". A blue arrow points from the text in the left column to the "Rapid Reports" tab.

Once you click the Rapid Reports tab, a menu will appear with report options at the bottom of your screen.

The screenshot shows the 'Rapid Reports' interface. At the top, there are three expandable menu items: 'Productivity', 'Clinical Service Contracts', and 'Clinical Leadership'. Below these is a 'Rapid Reports' tab, with 'PasteBoard' and 'Hide' tabs to its right. A blue arrow points to the 'Rapid Reports' tab. The main area contains a form with the following fields: 'Report' (set to 'Proofing Report'), 'Start Date' (Jan 01, 2014), 'End Date' (Jan 31, 2015), and 'File Format' (Microsoft Word). Below the form is a note: 'Note: Changes to Microsoft Word reports do not change data in the system.' and another note: 'Note: Reports you run with Rapid Reports only include the person's data you are managing!'. A 'RUN REPORT' button is visible, with a hand icon pointing to it. To the right of the form is a sidebar with the text 'Choose options to the left to run a report.' and a link 'What is Rapid Reports?'.

### Set Report Parameters:

Select "Proofing Report" as the report type.

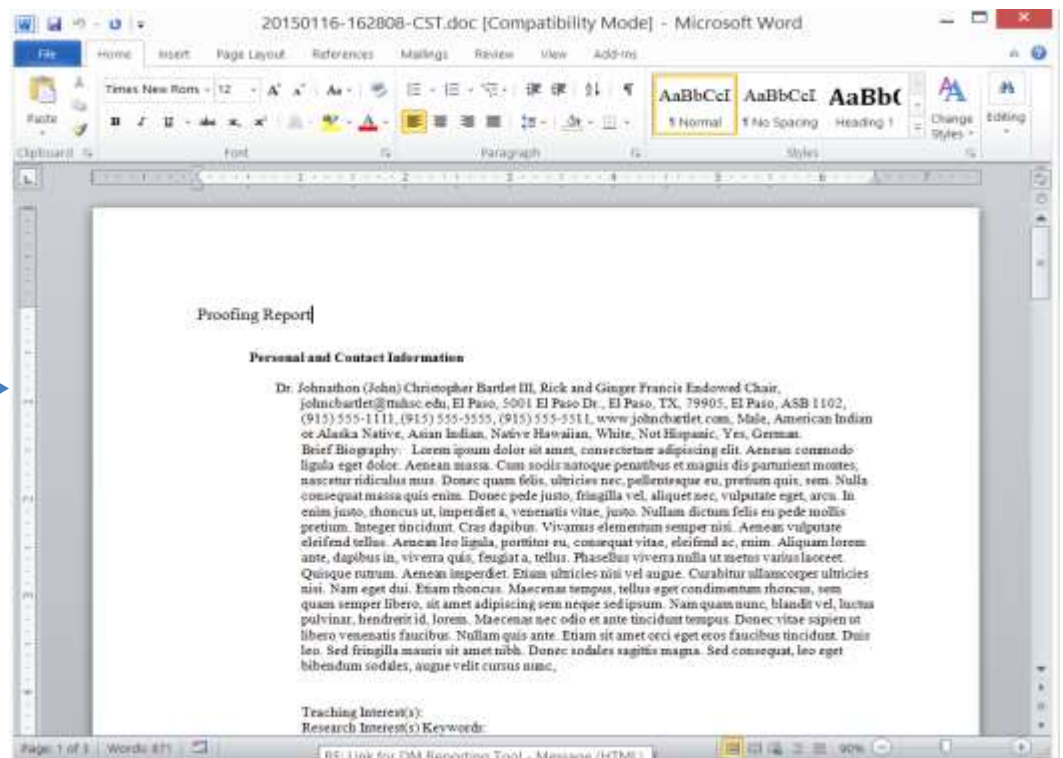

Set "Start Date" to Jan 01, 2014. Set "End Date" to Jan 31, 2015 or the date of your evaluation conference. The year must be set to 2015 in order to pick up your 2015 Faculty Goals.

Select Microsoft Word as the "File Format".

Click "Run Report". The report will open in Microsoft Word. Save the file on your PC.

Review your report by proofreading carefully. Make any edits to the format of the report in Microsoft Word. If you need to correct or add data, make sure you enter the changes in Digital Measures, then run a new report. Data which is edited in the Microsoft Word version of the report will NOT be reflected in Digital Measures.

Submit a copy of your final proofing report to your department chair prior to your evaluation conference by the deadline determined by your chair.

**ANNUAL FACULTY EVALUATION WORKSHOPS**

Workshops will be conducted to assist faculty in updating their Digital Measures profiles, entering faculty goals, and running the proofing report for the annual faculty evaluation.
