- The final town hall meetings about the “values-based initiative” are wrapping up. Over the next few weeks, comments will be edited for refinement. These values will guide the strategic plan and define behavior across the campus.

and Gerardo Vazquez, M.D.  
Family & Community Medicine

Dr. Molokwu reported the following:
Departmental Report CONTINUED...

**Please see attached report

Q&A

Q: You have a successful residency program – where are the doctors now down the road? Do they remain in academic medicine?
A: Largely, many train and remain in El Paso in academic medicine. Dr. Gerardo Vasquez is actually a product of our residency and fellowship programs.

Q: To what other institutions do they go then?
A: We don’t have that data on hand. Dr. Vasquez, Assistant Professor of Family and Community Medicine, replied that oftentimes fellowships lead them away from El Paso but I do not have statistics at this time.

Q: Your department’s grant money is impressive for the size of your department. To what do you attribute that success?
A: We have leadership that understands the importance of scholarship. We are also supported by a research group within Family Medicine.

Q: Do you have your own statistician?
A: We do not, however we do have Dr. N. Shokar as the Vice Chair for Research to support us. There are several individuals with dual appointments in Molecular and Translational Medicine and Family Medicine, several of whom are housed at Kenworthy, which allows for great access to run both ways. We have used BECL for statistical data and have also collaborated with Dr. Dwivedi.

VII. NEW BUSINESS

Ricardo Salazar, M.D.
Faculty Council President

Dr. Salazar reported the following:

- The Faculty Council welcomed new and returning faculty who were recently elected and/or re-elected as representatives for the following departments:
  - Anesthesiology: Marc Orlandi, M.D. (re-elected)
  - Emergency Medicine: Stormy Monks, Ph.D., M.P.H. (re-elected)
  - Family & Community Medicine: Gerardo Vasquez, M.D. (new)
  - Molecular & Translational Medicine: Alok Dwivedi, Ph.D. (new)
VIII. OFFICER INDUCTION CEREMONY

Associate Dean for Faculty Affairs
Richard Lange, M.D., M.B.A.
Dean

Dr. Aung, accompanied by Dr. Lange, presided over the 2019-2020 Officer Induction Ceremony.

- Dr. Aung first acknowledged Dr. Jennifer Molokwu with respect and appreciation for her service over the past three years as the representative for the department of Family and Community Medicine, Faculty Council President-Elect, President, and Immediate Past-President.
- Dr. Aung then welcomed Dr. Lisa Ayoub-Rodriguez, representative for the department of Pediatrics, as the incoming President-Elect.
- Dr. Aung then extended gratitude to Dr. Ricardo Salazar for his dedication and commitment as the 2018-2019 Faculty Council President. Dr. Aung recognized his contributions of reinstating departmental reports, overseeing appointments to several standing committees, and presiding over the 6th Annual Governance Retreat.
- Dr. Salazar commended the faculty for their tough work, particularly in light of the recent tragic shooting on August 3rd. Dr. Salazar encouraged all to continue working together as a community. Dr. Salazar will continue his term as the representative for the department of Psychiatry, and the Faculty Council Immediate-Past President.
