(Transmountain Campus)

This AGREEMENT is between TEXAS TECH UNIVERSITY HEALTH SCIENCES CENTER AT EL PASO (TTUHSCEP), a public institution of higher education in the State of Texas, on behalf of its Paul L. Foster School of Medicine (PLFSOM), and _____ (Resident/Fellow). Both TTUHSCEP and Resident/Fellow are also referred to herein as “Party” or collectively as “Parties”.

WHEREAS, the Resident/Fellow meets the eligibility qualifications established by the Accreditation Council for Graduate Medical Education (ACGME) or applicable accrediting body and TTUHSCEP;

WHEREAS, TTUHSCEP has offered and the Resident/Fellow has accepted an appointment in the applicable TTUHSCEP training program, which has been accredited by ACGME or applicable accrediting body; and

WHEREAS, TTUHSCEP is willing to train and employ the Resident/Fellow provided that the Resident/Fellow remains in good standing in the training program and otherwise complies with the terms and conditions of this Agreement.

NOW THEREFORE, in consideration of the mutual promises contained herein, the Parties agree as follows:

Terms and Conditions

1. **Appointment.** Subject to the terms and conditions set forth in this Agreement, Resident/Fellow hereby accepts appointment as a Resident/Fellow in the TTUHSCEP Department of _____ at the Program Graduate Year ___ Level.
 - a. **Licensure/Permits/Credentialing.** The training program is responsible for paying the cost of the Texas Physician in Training (PIT) permit. Trainee is responsible for submitting the TMB application for PIT permit processing. This Agreement is **CONDITIONAL** upon the timely and successful completion of all requirements of the TMB to obtain a postgraduate PIT or Medical License, where applicable. Resident/Fellow **may not be allowed** to begin work **nor receive pay or benefits** until his/her PIT or Medical License has been received by the TTUHSCEP Graduate Medical Education (GME) Office. Resident/Fellow must also provide appropriate and sufficient documentation of eligibility for employment in the United States, and valid ECFMG certificate, if applicable. Resident/Fellow must fulfill credentialing and pre-employment/pre-placement requirements of TTUHSCEP and other participating institutions, if applicable. In the event Resident/Fellow has failed to meet any of the Licensure/Permit/Credentialing requirements set forth in this section within forty-five (45) days from commencement of their employment start date, will render this agreement void and an automatic withdrawal of the offer of appointment.
 - b. **Licensing Exams.** Resident/Fellow is responsible for meeting the Step 3 or COMLEX Level 3 requirements as indicated in the GME Step/Level 3 Policy. The policies are available at http://elpaso.ttuhsce.edu/fostersom/gme/policies_procedures.aspx.

 - d. The above conditions and any and all additional requirements specified by TTUHSCEP and PLFSOM GME Policies and Procedures and the applicable department must be met **prior to** assuming duties at TTUHSCEP, but **no later than** the beginning date of the term

of this appointment. Failure to satisfy any or all requirements prior to the indicated start date will either: (1) prevent Resident/Fellow from being appointed, i.e., result in Resident/Fellow's training Agreement being deemed ***null and void***; or, (2) upon approval of the Program Director and Designated Institutional Official, may necessitate a ***change in the start date*** of the term of appointment, thus delaying the commencement of salary and benefits. If at some time subsequent to beginning a residency or fellowship program it is learned that qualifications have not been met, or Resident/Fellow is not promoted to the next program year, TTUHSCEP will deem this Agreement ***null and void***. In the event Resident/Fellow, for whatever reason, is unable to meet the requirements for practicing medicine at any of the affiliated hospitals or other participating institutions, this Agreement shall likewise be deemed ***null and void***.

2. **Term; Duration of Appointment.** This Agreement is for a 12-month period beginning on _____ and ending on _____.

Payment will be inclusive from the first day to the last day of the current month. Salary payments shall be subject to federal withholding taxes and any other applicable taxes. Resident/Fellow acknowledges that the compensation amounts stipulated are subject to change on an annual basis at the sole discretion of TTUHSCEP. If a salary increase occurs at any time during the academic year, the increase will be effective for all residents, including those that are off-cycle or for contract extensions.

4. **Policies and Bylaws.** Resident/Fellow will abide by the policies, rules and regulations of TTUHSCEP, to include, but not limited to the TTUHSCEP PLFSOM Operating Policies and Procedures, GME Standard Policies and Procedures, and the applicable policies and procedures of the affiliated hospital(s) or clinic(s) to which the Resident/Fellow is assigned.
