

Fighting CANCER with KNOWLEDGE

Cancer patients, survivors and general public:

Join specialists from Texas Tech University Health Sciences Center (TTUHSC) at El Paso for a group discussion on breast cancer and gynecologic oncology. Gain insight from the experiences of cancer survivors - and learn about the latest research, screenings and genetic counseling available.

**October 5, 2012
1:00 - 4:00 p.m.**

Texas Tech Research
and Academic Center

Cancer Clinical Research Core Facility

440 Raynolds Street
