

Agenda for the PLFSOM Medical Student Government (MSG) Meeting (12-7-09)

- I. Discuss approaches towards finding funding to provide students with stipend awards for their SARP projects. (Andy and Tom will contact Dr. Steele & other faculty to find out about fundraising or donors we might contact)
- II. Google group contact list (Erica will first talk to IT about setting up an SGA email account and anonymous discussion board for students to post concerns or suggestions)
- III. Report on progress concerning efforts to have lectures audio taped or Camtasia'ed. (Still awaiting final approval Dr. Horn will talk to Dr. Steele about this since there are still a few faculty members who are not on board)
- IV. Christmas party? (We will not have a large function since the school will be having the Dean's Annual Christmas Tree Lighting Event and Student Affairs will be hosting a party as well)
- V. How do we want to do the Event Planning Committee? Who are our Social Chairs? Katrina and Tu, you guys will have a lot of autonomy on how you want to do this (Katrina, & Tu will work on functions in their own colleges and eventually make a joining of the colleges social event in the Spring)
- VI. Brief MSG on the Finance Subcommittee and its policies. Explain budget for both MSG and student groups (Ahmed, & Tom went over how much money has been allotted to the various organizations & we will meet in the Spring semester to discuss how SGA funds should best be spent)
- VII. Date of final formative of 2009? (Andy has talked with Dr. Steele about offering two different tests dates to allow students to choose from)
- VIII. How to Record meetings (We will be uploading them to the SGA webpage once IT has set up the link)
- IX. Class Community Outreach Project (To be done in the Spring semester possible Montana Vista Project Erica will contact Dr. Arroyave about the possibilities)
- X. Final thoughts, concerns, questions, proposals (Next meeting will be in the Spring semester after we return from break)
