CONFERENCE OVERVIEW AND TARGET AUDIENCE

This symposium is designed for obstetricians, gynecologists, family and general practice physicians, resident physicians, physician assistants, nurse practitioners, registered nurses, and other interested health practitioners. This symposium aims to increase practitioner knowledge, competence, and skills in clinical diagnosis, treatment options, and new technologies in obstetrics and gynecology.

OBJECTIVES

Following the conference, the participant should be able to:

- Describe the risk factors and diagnostic criteria for placenta accreta
- Explain the surgical treatment options for placenta accreta
- Assess the biological role of the fallopian tube in carcinogenesis
- Recognize new advances in medicine related to gynecological cancer
- Identify incentives and strategies to assess a hospital's current performance
- Provide an overview of the ethical principles that influence the practice of medicine and nursing
- Explore the impact of ethics on practice: case presentations

CME ACCREDITATION AND DESIGNATION

The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of *6 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity provides 1 CME credit toward the annual requirement of the Texas Medical Board for continuing medical educational credit in medical ethics or professional responsibility.

NURSE ACCREDITATION CREDIT

University Medical Center of El Paso is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited provider by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides up to 6 contact hours for successful completion of this educational activity.
