13th Annual
Obstetrics and Gynecology
Symposium
Friday, Sept. 7, 2018

Hosted by:
The Texas Tech University Health Sciences Center El Paso
Paul L. Foster School of Medicine

Location:
Medical Education Building, Auditorium 1200
Paul L. Foster School of Medicine
Texas Tech University Health Sciences Center El Paso
5001 El Paso Drive, El Paso, TX 79905

CONFERENCE OVERVIEW AND TARGET AUDIENCE:

This symposium is designed for obstetricians, gynecologists, family and general practice physicians, resident physicians, physician assistants, nurse practitioners, registered nurses and other interested health practitioners. Participants will increase their knowledge, competence and skills in clinical diagnosis, treatment options and new technologies in obstetrics and gynecology.

LEARNING OBJECTIVES:

- Following the conference, the participant should be able to:
- Provide an overview of Texas maternal mortality and morbidity data
 - Identify evidence-based strategies to improve maternal mortality and morbidity
 - Recognize how health care teams work collaboratively to improve maternal mortality and morbidity
 - Review the most common causes of maternal mortality and morbidity
 - Describe the components of maternal toolkits or maternal bundles related to hemorrhage, hypertension, opioid use and maternal cardiac disease
 - Use Alliance for Innovation on Maternal Health (AIM) initiatives and understand their impact on maternal outcomes

CME ACCREDITATION AND DESIGNATION:

The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of *3 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
