Contact Us

If you are a new user to CLIPP, you must use your email address. However, if you have already registered to use CLIPP prior to December 25th, then you should use your assigned login. *You do not need to re-register with your institutional email, as this will cause you to be entered into the system twice.* Thank you for your patience and cooperation!

Registering to use CLIPP (for institutional users):

1. Click **Go to Cases** at left. The CLIPP login page will open.
2. Click the **Register** tab on the left margin.
3. The CASUS registration page opens. Provide your personal information in the prompts. *Important: Use your institutional email address.*
4. Review and accept the CLIPP Site User Terms and Conditions.
5. Type the security password which appears in the lower window. Select **Send**.
6. Expect to receive an email with a link to confirm your registration. By clicking this link, you will finalize the registration process.

Note: Medical educators should contact clippsupport@i-intime.org to request access for their students. Registration from sites that are not recognized will not be accepted by the system.

Logging in to CLIPP after you register (all users):

Once you have your Login and Password:

1. Go to www.clippcases.org <<http://www.clippcases.org>> .
2. Click **Go to Cases** in the left frame.
3. On the Login page, type your Login and Password.
4. Click **Login**. The Case Selection page opens.
5. On the Case Selection page, double click on the name of the desired case. The case will open.

Reopening a Case

If you left a case without finishing it, when you open the case again, it will open at the

last completed card. If a case has been used, the radio button at the left of the title will be filled in with yellow. If a case has been completed, the radio button at the left of the title will be filled with a green checkmark. If a case has not been open, the radio button will appear as an empty circle.

Status		Casename:
1	<input checked="" type="radio"/>	01. 49-year-old man with chest pain - Mr. Monson  Authors: James L. Nixon M.D., Associate Professor, Department of Internal Medicine and Pediatrics University of Minnesota Medical School Comment: Last update: November 12, 2008
2	<input type="radio"/>	02. 60-year-old woman with chest pain - Ms. Johnston  Authors: Kirk A. Bronander, M.D., University of Nevada School of Medicine Comment: Last update: September 22, 2008
3	<input type="radio"/>	05. 55-year-old-man with fatigue - Mr. Kish Authors: Klara K. Papp, PhD, Susan L. Padrino, M.D., Case Western Reserve U; Luis Ramirez, M.D., St. Vincent Charity Hospital Comment: Last update: December 9, 2008

Forget your Password?

If you have forgotten your password, here's what to do:

1. Go to www.clippcases.org
2. Click the "Go to Cases" tab in the left margin.
3. At the "Login" page, click the "Forgot your Password?" link under the space where you enter your password.
4. The next page will prompt you to enter your login/email to receive a new password by email.
5. The system will send you a new password.

Note: The password sending will function only if you have entered a valid e-mail address in the user data page. If you are having trouble, contact clippsupport@i-intime.org.

Changing your Password

Once you have your Login and Password:

1. Go to www.clippcases.org <<http://www.clippcases.org>>
2. Click "Go to Cases" in the left margin.
3. At the "Login" page, type your Login and Password.
4. Select the "User Data" tab at the top of the page.
5. Enter your new password 2 times.
6. Click "Save."
