

TEXAS TECH UNIVERSITY HEALTH SCIENCES CENTER EL PASO,
PAUL L. FOSTER SCHOOL OF MEDICINE
2026 RESIDENCY MATCH

The Texas Tech Health El Paso, Foster School of Medicine, Class of 2026, has had an outstanding residency match on March 20, 2026. 103 members of the Foster School of Medicine Class of 2026, and two students from the Class of 2025 were successfully matched. Year after year, Foster School of Medicine students are selected into highly competitive specialties and great programs nationwide. While the national impact is impressive, we are especially pleased that over 57% of our graduates are matched in Texas, 38% of the students will enter primary care specialties, and 10 will continue their medical training in El Paso. We are so proud and grateful for this graduating class; their resilience, leadership, and care for the El Paso community and their peers have been impactful. We wish them continued success and happiness as we honor each of our graduates today.

Following are the match results from the Class of 2026:
