CCNE Accreditation Site Visit and Invitation for Third Party Comments

Texas Tech University Health Science Center El Paso (TTUHSCEP) will host an accreditation visit by the Commission on Collegiate Nursing Education (CCNE) from February 19-21, 2025. This visit aims to seek CCNE accreditation for the Gayle Greve Hunt School of Nursing Master of Science in Nursing (MSN) program.

As required by the CCNE procedures, at least two months before the scheduled evaluation, TTUHSCEP must notify its constituents, including, at a minimum, faculty teaching and students enrolled in the program(s) under review, that an accreditation review is scheduled. CCNE will receive third-party comments until 21 days before the scheduled evaluation which is January 29, 2025. Only signed comments are accepted by CCNE. CCNE shares third-party comments with the members of the evaluation team prior to the visit, but at no time during the review process are these comments shared with the program. During the review of the program, the evaluation team considers third-party comments that relate to the accreditation standards. All comments submitted to CCNE must be written in English, consistent with CCNE's policy of Conduct of Business in English.

If you would like to submit a third-party comment for a program currently under review, please submit to thirdpartycomments@ccneaccreditation.org.

Or if you prefer, mail comments to:

Commission on Collegiate Nursing Education
Attn: Third Party Comments
655 K Street, NW, Suite 750
Washington, DC 20001

Comments must be received by CCNE no later than Wednesday, January 29, 2025
