NURSING
TTUHSC EL PASO

Masters of Science in Nursing: Leadership Track

WHY HUNT SCHOOL OF NURSING?

LEADERSHIP FOCUS

Prepares the professional nurse with leadership and business concepts necessary for administrative roles within dynamic health care environments.

Concepts align with the core competencies outlined by the American Association of Colleges of Nursing and American Organization for Nursing Leadership.

ONLINE PROGRAM

Professional program designed for the working nurse.

Complete the program in six semesters.

SMALL CLASS SIZE

Highly personalized faculty support, designed for your busy schedule.

Multidisciplinary and industry experienced faculty.

INNOVATIVE

Interdisciplinary perspective attained only at a health sciences center.

FREQUENTLY ASKED QUESTIONS

Is there an expiration on previous coursework?

All previous coursework will be considered. The program curriculum will build on foundational science and nursing courses; therefore, your continued understanding of covered material is critical. This is especially important if coursework was completed more than five years prior to applying to the M.S.N. program.

Is the Graduate Record Exam (GRE) required?

The GRE is not required for the certificate program or MSN Leadership Track.
