Budget adjustments may be considered for educationally related expenses, or for expenses that directly impact the student's ability to continue his/her program of study. Increasing your financial aid budget may enable you to receive additional self-help aid (typically federal or private loans). This adjustment does not change your federal FAFSA data.

Check any of the following that apply to your expenses and submit all documentation (receipts, etc.)

Computer Purchase (may only be used one time in the entire academic program)
