The Financial Aid Office has received your 2022-2023 Free Application for Federal Student Aid (FAFSA). The U.S. Department of Education has flagged your FAFSA with comment codes 400 (parent) and / or 401(student). These codes are meant to resolve discrepancies in information reported on your FAFSA. Federal Student Aid regulations requires us to correct inconsistent information before any funds can be disbursed.

You can review your 2022-2023 Student Aid Report (SAR) from your 2022-2023 FAFSA to determine if a Comment Code 400/401 has been generated due to the figures you entered on your 2022-2023 FAFSA application, and what is causing the discrepancy. You can make corrections to your 2022-2023 FAFSA application at [www.studentaid.gov](http://www.studentaid.gov) to resolve a Comment Code 400/401. If you wish for the Financial Aid Office to make the corrections on your behalf, you must complete and submit this form along with the appropriate documentation listed below.

**NOTE:** The Financial Aid Office reserves the right to ask for official documentation (signed 2020 Federal Tax Returns, court documents, benefit statements, etc.) to resolve any discrepancies. Making changes to your FAFSA to clarify inconsistent information may result in the U.S. Department of Education selecting you for verification.
